

Easy Transactions. Satisfaction Guaranteed!

JCL Energy purchases new and used equipment every day - and makes the entire process easy!

Sell us your surplus, and help us to decrease our environmental impact one reconditioned transformer at a time.

Jim Landino, Founder

We buy surplus,
like **drunk monkeys!**

(or him) →

Sell Us Your Surplus!

It may sound a little silly, but the "Drunk Monkey" mentality is our fun approach to a process we take **very** seriously! We want to buy your excess equipment, whether it's:

- Transformers
- Switchgear
- Components / Fuses / Fluids
- ...and more!

When you call, or request, our **JCL Energy** Purchasing Manager, you can expect:

- Fast and Friendly Negotiations
- Knowledgeable Conversations
- Logistical Convenience [We Handle Transport]
- A Guaranteed FMO [Fair Market Offer]

Matt Clune
Purchasing Manager
